From: Timothy Morales, City Manager
Subject: Lead Service Line Replacement (C-1678)
Prepared by: Travis Hare, Public Services Department

Manager's Recommendation:

I recommend the approval of the contract with Rohde Brothers Excavating, Inc. for \$7,154,332.50 for the Lead Service Line Replacement project for the Public Services Department, Engineering Division.

Justification:

On April 12, 2022, the City received two qualified bids for the Lead Service Line Replacement C-1678 project. A post-bid addendum was issued through negotiations with the contractor. The post-bid addendum decreased all bid quantities in order to decrease the total project cost under the \$7,200,000 budget available.

The project includes replacement of lead and galvanized water connections, water extensions, water meter sets and limited indoor plumbing, along with road and lawn repairs. The work is located in four selected areas of the City, making as many replacements as possible with the funds available. This project will span the next 3 years.

In June of 2021, the City began the application process to receive funding through the Michigan Department of Environment, Great Lakes and Energy (EGLE), for a principle forgiveness loan from the Drinking Water State Revolving Fund (DWSRF). On October 15, 2021 the City was awarded \$4,500,000 for this project. A resolution is on this agenda for adoption that will tentatively award a construction contract for the water system improvements as required by Department of Environment, Great Lakes and Energy EGLE. EGLE's funding cycle requires that this resolution be approved by City Council by August 17, 2022. The following is a tabulation of the bids received:

<u>Vendor</u>	<u>Cost</u>
Rohde Brothers Excavating, Inc. Saginaw, MI (out-City)	\$10,220,475.00
All Seasons Underground Tipton, MI	\$10,515,000.00

This vendor meets all requirements of §14.33, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "Administrative Code," of the Saginaw Code of Ordinances, O-204.

Funds will be budgeted in the Water Operations and Maintenance Fund, Surplus Division, Construction Projects Account No. 591-4740-822.000 \$900,000.00 for FY 2023, 2024, and 2025, and will be budgeted in the Water Operations and Maintenance Fund, Water Refunding Bonds Division Construction Projects Account No. 591-4741-822.000 \$1,454,332.50 in FY 2023 and \$1,500,000 in FY 2024 and 2025, upon approval of the FY 2023, 2024 and 2025 budgets.

I have approved the contract as to substance and the City Attorney as to form.

Council Action:

Motion to approve the recommendation of the City Manager.
